

"Lance has been a lifesaver for us. He is a resume specialist, career coach, and dynamic motivational speaker all in one. His style is powerfully engaging, and it's obvious he knows his stuff."

*-Nathaniel Love, Veteran's Employment Representative,  
Workforce TampaBay*

## LANCE T. WALKER

Speaker, Author, Career Coach

### **Customized, co-active career coaching and workshops for military members and students**

As a US Air Force veteran with over 20 years of "recivilianizing" experience behind me, I've become a bit of an expert at the art of job transitioning - as well as the science of career planning.

My background includes neuro-associative conditioning, small business consulting, ecommerce marketing, and social network job-search strategies. I'll use this depth of experience to help you identify your true calling... and **get the job you want!**

*"Absolutely brilliant... A very enlightening and informative experience. Lance is an enthusiastic, knowledgeable, and passionate teacher. Strongly recommended!"*

*- Dylan Lobo, Project Manager, Tampa FL*
